Subject: Travis Kalanick text messages

Quinn team,

We re-checked Travis Kalanick's phone and did not recover any additional messages. We are continuing to investigate whether additional recovery is possible. We note, however, that Anthony Levandowski produced many of the texts from Mr. Kalanick that were not recovered from Mr. Kalanick's phone. We also note that we produced texts from Mr. Kalanick's phone going back to February, 2016, the earliest available, not March 2017, as Mr. Judah indicated on the parties' July 10 meet and confer call.
